→ Did you try any new restaurants?

Is “Active Listening” a Skill or a Personality Trait?

- **Task:** Prepare a 2–3 minute response answering the question “*Is active listening something people learn, or is it part of who they are?*”

Is “Active Listening” a Skill or a Personality Trait?

- **Guidelines**

1. **Take a position**
   - **Decide:**
     - **It is mostly a skill**
     - **It is mostly a personality trait**
     - **Or both (but explain clearly how)**

Is “Active Listening” a Skill or a Personality Trait?

- **Guidelines**

2. **Give 2–3 reasons:** Explain why you think this
   - Can people improve their listening with practice? Are some people naturally better listeners?
3. **Use Real Examples** (Your own experience, Work situations, People you know)

Is “Active Listening” a Skill or a Personality Trait?

- **Guidelines**

4. **Add contrast: Acknowledge the other side**
    - Why might someone disagree with you?
    - Is there a situation where your idea doesn’t work?
5. **Conclude: Short summary of your opinion**
